PROGRAMME REPORT

PG & Research Department of Chemistry has organized a State level Webinar on 05.09.2021.The seminar was given by the Chief Guest on the topic “Molecular Rearrangement”. The talk was followed by question and answer session.

We have received good response from the participants. The Webinar ended with a vote of thanks by Mrs.S.Ambiga, Assistant Professor, Department of Chemistry. She thanked to resource person, H.O.D and student participants for their active support for making the programme to be successful.

"I found this meeting really helpful. One of the most enjoyable and informative seminars I have ever attended. Thank You for organizing and a very special thanks for the great Speakers.

Ceeu

Undoubtly this session stirs my knowledge of Chemistry to recover the unknown basics of facts associated with molecules, How they are arrangement. Major Thanks to the organisers, Speakers of this programme.

Qu

This meeting is very useful to me, According to my career guidance. My information I gathered by this webinar it was more useful to me.

Po ye

I had a great opportunity to take part in this webinar, it was very useful to me, it shows me many information, I gathered about physics and chemistry.
