REPORT

The Department of Biotechnology organized a one day workshop on 'Mushroom Cultivation' on 03/10/2023 at Seminar hall from 11.00 AM. The programme was inaugurated and felicitated by our college principal Dr. V. Vijayalakshmi and Vice Principal Mrs. N. Mythili. The Programme was co-ordinated by the Department staffs and students from III B.Sc., Biotechnology. The main objective of this workshop is to provide practical knowledge to the students on Mushroom Cultivation, Production and Processing techniques. The theoretical session of Mushroom cultivation was presented by Ms. R. Nafisa Kousar and Ms. R. Bharathi, final year B.Sc., Biotechnology. They explained about the basic structure, classification, types, physiological conditions, nutritional value and importance of mushrooms. The practical session was handled by Ms. N. Bhavini Bharathi, Ms. M. Nivetha and Ms. V. Lakshmi Priya, final year B.Sc., Biotechnology. The students are trained for the preparation of Spawn, Mushroom bed, Design and infrastructure of Oyster mushroom production farm, Pest and Disease management, Harvesting, Packaging and marketing of mushroom. The Principal, HOD and staffs of the department congratulated and appreciated the team for the wonderful completion of the workshop. The session was ended with delivering a vote of thanks.
