College, Villapakkam

Swachhita Action Plan

25.09.2022

It is informed to all HODs and faculties that our SAP committee has planned to conduct "Meendum Manjappai" program in our campus and near by villages on 25.09.2022. As per our earlier notification, plastics are banned in our campus and students are asked to bring cloth bags to prevent soil pollution. All the interested students are asked to join with SAP Students to create awareness in the villages.

SWACHHTA ACTION PLAN

MEENDUM MANJAPPAL CAMPAIGN

REPORT

Our Arcot Sri Mahalakshmi women's College SAP Students conducted Meendum Manjappal campaign to create awareness on environmental pollution and to motivate the usage of cloth bags among the public and students community. This drive was formulated to cover all the cities and towns of Tamil Nadu to make the state free from plastic bags. This campaign was administered by our honorable chief minister of Tamil Nadu, M.K. Stalin from 2021. Our college students are stated to use manjappal to prevent environmental pollution. During the event lecturers explained well about the non-degradable waste and how it affects the soil and agriculture. It served as a great initiative in making people aware of the importance of using cloth bags. Such events help us to protect our environment from harmful effects such as global warming and green house effect. The students made awareness to the students and nearby villagers.
